MURTOA COLLEGE IS A CHILD SAFE SCHOOL.

We acknowledge the Wotjobaluk, Jaadwa, Jardwadjali and Judpagulk peoples of the Wimmera region as the traditional custodians of the lands upon which Murtoa College is situated. We pay our respects to their elders – past, present, and emerging - celebrate the diversity of Aboriginal and Torres Strait Islander peoples, and acknowledge their deep care and ongoing connection to land, water and community. We extend this respect to Aboriginal and Torres Strait Islander peoples joining us today.

	4 th April	END OF TERM !
TERM 2	22 nd April	START OF TERM 2
	2 nd May	Student Free Day

Whole School Leadership Reports

Principal – Dr Bec Carter

Welcome to the (almost!) End of Term One!

It is hard to believe how quickly this Term has flown by! As Term One comes to a close, we can reflect on how fortunate we have been to enjoy a relatively smooth and uninterrupted Term. It has been wonderful to see our programs and events roll out as planned. As our teachers now dedicate this Term's final week (next week) to planning for Term 2, we are hopeful that this positive momentum will carry forward into the new term.

As you know from our newsletters throughout this Term, the past nine weeks have been filled with many highlights. Our Foundation and Year 7 students have made a fantastic start to their schooling journey, settling beautifully into their new learning environments, building relationships with peers and teachers, and engaging with their learning with focus, energy, and intent. So too have the new staff who joined us at the beginning of the year.

Of course, some students have needed a little extra support along the way, and it has been equally inspiring to see the collective effort from staff to ensure every child is being supported to focus on their learning. Our teachers have worked tirelessly to make this happen, and I want to acknowledge and thank them for their incredible dedication and professionalism, wishing them all the very best on your behalf for a restful and happy school holiday break.

Respecting School Property – A Shared Responsibility

At Murtoa College, we work hard to maintain a safe, clean, and welcoming environment for all students. We kindly ask for your support in reminding your child/ren about the importance of respecting school property. This includes classrooms, furniture, playgrounds, books, equipment, and the resources provided by our Breakfast Club.

We especially encourage you to speak with your child/ren about using the rubbish bins located around the school and in classrooms to dispose of waste—particularly packaged food wrappers brought from home. Keeping our school clean is a shared responsibility that ensures a pleasant environment for everyone.

It is also important that students use all spaces appropriately. Recently, we've observed some students congregating in toilets for extended periods and, in some cases, eating in these spaces. This is neither hygienic nor safe. Please remind your child to use designated eating areas during break times and to treat toilet areas with respect so that all students have access to clean and usable facilities.

When students take care of their surroundings, it fosters a sense of responsibility, pride, and a positive learning environment. Thank you for your continued support in encouraging your child/ren to respect school property and to report any damage as soon as it occurs.

Building Inclusive Schools: Staff Diversity and Inclusion Training

At Murtoa College, our determination to create a respectful, inclusive, safe, and equitable school environment is more than a goal—it is our responsibility. Schools play a vital role in shaping not only academic growth but also the values of respect, understanding, and belonging. To support this mission, all staff at Murtoa College are now engaging in a range of free online training opportunities facilitated through the Department which are designed to build awareness, confidence, and practical strategies to support diversity and inclusion. Topics include:

- Disability inclusion and confidence
- Supporting neurodiverse staff
- Inclusive communication strategies
- Anti-racism and cultural safety
- Active bystander training
- Workplace adjustments and more

Why this training is so important:

When school staff actively build inclusive and respectful environments, students benefit. A diverse and inclusive school workforce reflects the communities we serve, allowing our children and young people to see themselves in the adults around them. It also teaches students the value of acceptance, understanding, and equity from an early age—skills that shape lifelong attitudes and behaviours - skills that are essential to bring our school values (Community - Inclusion - Respect - Integrity) to life.

Annual privacy reminder for our school community

Our school collects and uses student and parent personal information for standard school functions or where permitted by law, as stated in the [Schools' Privacy Policy](#) and the [Schools' Privacy Collection Notice](#). Our Photographing, Filming and Recording Students Policy <https://www.murtoasc.vic.edu.au/wp-content/uploads/2021/10/Photographing-Filming-Recording-Students-Policy.pdf> describes how we collect and use photographs, video and recordings of students. The policy also explains when parent consent is required and how it can be provided and withdrawn.

We ask parents to also review the guidance we provide on how we use [Microsoft 365/Google Workspace for Education](#) safely at the school and what parents can do to further protect their child's information. If after reviewing the guidance, you have any questions or concerns regarding your child using Microsoft 365/Google Workspace for Education, please contact the school.

For more information about privacy, refer to: [Schools' privacy policy: information for parents](#).

Student Attendance – Why it Matters

As we near the end of Term, I take this opportunity to remind our families about the importance of regular school attendance. For every student, at every level of schooling, every school day counts. When students attend school regularly, they give themselves the best chance to succeed – academically, socially, and emotionally. Being at school helps students stay connected to their learning, build strong relationships with teachers and peers, and develop positive routines that set them up for life. Indeed, missing just one day a fortnight adds up to **four full weeks** of lost learning in a year. Over time, this can impact a **child's confidence, progress, and sense of belonging at school.**

* Image courtesy of Warracknabeal Secondary College

So, whilst we understand that sometimes absences are unavoidable, we also encourage families to prioritise the attendance of their child/ren wherever possible and to reach out to your child/ren's Student Connect teacher if there are barriers preventing your child's regular school attendance. Working together in this way will ensure your child/ren are able to make **every day at school a learning opportunity**. We therefore look forward to seeing more of your child/ren, more often, in Term 2!

Student Free Day

Please note that there will be a Student Free Day on **Friday May 2nd** for staff to participate in a whole day workshop focussed on Positive Classroom Management with Lisa Douglas, the School Wide Positive Behaviours Coach for Wimmera South West Region schools.

Murtoa College 'Wood on Wheels' Woodwork Team

The Murtoa College Woodwork team recently travelled to Minyip Primary for another successful afternoon of hands-on learning and creativity. Every student at Minyip Primary took part in an engaging woodwork session, led by the enthusiastic Murtoa team. With hammers clanging and nails tapping, the room was full of energy as students got busy constructing their very own Skittles dispensers. Under the careful guidance of the Murtoa crew, each student completed their project and proudly took it home. Well done to all involved—great teamwork, great craftsmanship, and a great day overall!

Learning and Teaching Executive Team

Director of Student Futures & Pathways - Shaun Bray

Work Experience

Next week (31st March - 4th April), all of our Year 10 and 11 students, plus the Year 12 Vocational Major (VM) students are completing work experience. We would like to wish all of our students the best of luck during these placements and we would like to thank the businesses for giving our students hands-on experience and insight into different industries. We look forward to hearing about the placements at the beginning of Term 2. A list of employers will be published on our social media page and in the next newsletter. Thank you to Ms Martin, Jan Dunlop and Hamish Gawith (Headstart) for assisting with organising the placements.

Year 11 Leadership Day

On **Friday 9th May**, all Year 11 students will participate in a leadership day in Horsham. This day is organised by the LLEN, supported by the Horsham Rural City Council and all Wimmera Schools are invited. Permission forms have been given to students and they should be returned as soon as possible.

The guest speaker is **Luke S. Kennedy** - *Bestselling author, acclaimed speaker, mental health advocate, and known for his powerful story of resilience, leadership, and personal transformation.*

More information about Luke, can be found here: <https://www.lukeskenedy.com/about-guest-speaker-sydney>

Primary Sub school Leader (F-6) - Grace Coustley

Students have been continuing to do a wonderful job with their learning. I am beyond proud to report the fantastic learning that the Foundation - two students are doing in regards to building their sound knowledge. In the upper years, students have been working on a range of different topics including learning about rules/laws and our parliament system. They have been learning about our local government and moving into the Australian government.

Reminder:

- Students to record their nights of reading in their diaries, this also will assist staff in handing out reading awards at our fortnightly assemblies.

I hope everyone has a wonderful holiday and we look forward to more wonderful learning from all our students and hearing about their holidays.

Student Wellbeing, Inclusion & Engagement Team

Director of Students Wellbeing, Engagement & Inclusion & Leader in Mental Health in Primary Schools (MHIPS) - Allyssa Wilson

On Thursday, our Year 11/12 VM Personal Development Skills class ran a fantastic school-wide activity in celebration of Harmony Day! ❤️ The students taught their peers about the importance of Harmony Day and led engaging activities that celebrated Australia's multiculturalism. It was also great to see the school dressed in orange, the official colour of Harmony Day, showing our support for diversity and inclusion. Well done to all the students involved!

Director of Transitions & Community Engagement - Nicole Noonan

F-6 Dunmunkle Athletics - Friday 4th April

The Dunmunkle Cluster School Athletics will be held on Friday 4th April at the Minyip Recreation Reserve. This is the last day of term 1.

It is encouraged that parents join us for the day and transport their child to and from the event. Attending your child's school sports day is a great opportunity to show support and encouragement! We are aware that some families cannot transport their child due to other commitments, can families please return the form sent home to confirm this and alternative transport will be provided.

Our secondary students (Year 7, 8, 9 & 12) are preparing to play a key role in making this year's F-6 Dunmunkle **School Sports Day** a success! As volunteers, they will assist with organising events, guiding younger students, keeping scores, and ensuring everything runs smoothly. Their leadership, enthusiasm, and teamwork will help create an enjoyable and well-organised day for everyone.

This is a fantastic opportunity for them to develop important skills, contribute to the school community, and set a great example for younger students. We appreciate their willingness to step up and can't wait to see them in action!

Details:

- The sports will officially begin at 9.00am
- Students need to wear Murtoa College uniform
- All F-6 students need to be at Minyip Recreation Reserve (located at Foundry Street, Minyip) by 8.45am
- Students needing alternative transportation attend school as normal and catch a bus to sports (return note)
- On arrival, please report to the Murtoa College banner.
- **Students to bring snacks, lunch, sunscreen, School HAT and drink bottle**
- Canteen available
- At the end of the day, parents need to notify teachers that they are taking their children home

Library News – Jenny Reading

Lexile Program

The library is temporarily in disarray as we move into the closing phase of the reorganisation of the library according to the Lexile system. The Lexile system grades books according to word frequency and sentence length. Books have been tagged on the covers and in the library management system, so students who have been tested will be able to quickly find something that is within their reading and interest level. Thankyou Ms Boehm and Mrs Liao for your help.

Premier's Reading Challenge

The 2025 Victorian Premier's Reading Challenge is finally up and running and I have activated all students in our school. The purpose of the challenge is to encourage students to read more widely and more often. For students from Foundation to Year 2 the challenge is to read or experience 30 books. Years 3 to 10 the challenge is to read 15 books.

It is expected that students or parents enter their own books on the site, but please don't hesitate to contact me if you need any help.

For information on the Challenge visit the website <https://vprc.eduweb.vic.gov.au/home>

Happy reading.

College Sports Coordinator -Nathan Sachse

GWR Swimming

We want to congratulate Leila for competing in the Greater Western Swimming Sports.

Leila performed exceptionally well, putting forth her best effort. She competed in four 50m events, securing 3rd place in Breaststroke, 4th in Backstroke, 6th in Butterfly, and 7th in Freestyle. Additionally, she set two personal best times. Great work Leila!

Intermediate and Senior Girls Volleyball

Murtoa College is super proud of all the students who participated in the Volleyball Tournament on Monday, 17th March.

Our Intermediate Girls were represented by:

Shanyka, Georgie, Zoe, Maddie, Marli, Molly, Mathilde, Clare, Amba and Libby.

The girls played against HTLC and Horsham College. They lost both games in 2 sets; however, they played extremely well in both games and gave the other teams a close and exciting match.

Our Senior Girls were represented by:

Clare, Paige, Adelle, Lyla, Charlett, Mikaela, Bella and Alex.

Our Senior girls played against St. Bridget's, Horsham College and HTLC. They were able to win all their games 2-0, which has abled them to progress through to the next round, which is the Greater Western Region on April 1st.

It was great to see all the girls supporting each other and cheering each other on from the sidelines. Thank you to Paige Hemley and Clare Whyte for coaching the Intermediate girls and Shaun Bray for coaching the Senior girls. Thanks also to Sam Gawith for supporting the girls and providing them with lollies.

Murtoa Athletics Carnival

The Athletics carnival at Dudley Cornell was truly remarkable with amazing weather.

I was delighted to witness so many students actively participating and giving their best. It's commendable that some students even competed in higher age levels to secure full points for their house.

A massive thank you extends to all the students who participated in the sports event. Witnessing some students embrace the spirit of the day by donning colourful outfits added to the enjoyment. Whether as competitors or non-competitors, their support significantly contributed to the success of the Murtoa College Athletics carnival.

We also express our gratitude to the parents who attended to cheer on their students and provide overall encouragement.

A special shout-out to the dedicated staff members who diligently fulfilled their roles, ensuring that students competed at their best. Without your assistance in organising and overseeing the data, track and field events, the day would not have run as smoothly.

A special recognition goes to Fi and Min Keel for organising the canteen.

The announcement of individual champions will be during our next whole school assembly.

Now, let's unveil the results of the Athletics carnival:

Meier: 3,325 points and claimed the top spot. 🏆 🇺🇸

Waterson: 3,043 points, securing second place.

Degenhardt: 2,944 points, landing in third position.

Congratulations to all the participants and houses!

Year 9/10 Food and Fibre – Jo Hemley, Food Technology

Foods

On Wednesday 19th March the Year 9 and 10 Food students prepared and hosted a late afternoon tea for invited guests.

The students had the opportunity during the previous weeks lesson to plan for this catering event, choosing the different types of dishes they would offer and deciding who was going to prepare what dish. Invitations were sent out and the preparation for the day had begun.

Students were enthusiastically preparing their nominated dishes during their double lesson on the Wednesday and then 10 students remained after school to finish off the final preparations for the afternoon tea. These final preparations included setting up the dining room, setting the table, plating up of food and then greeting their guests on arrival to the school.

Each student then presented what they had cooked for the function before then waiting on their guest.

At the conclusion of the function all students helped with the washing up, cleaning up of the kitchen and dining area.

The students need to be congratulated on the wonderful effort which they put in to make this function such a success. Well done!!!!

A special thank you to all the people that came to the school for the function and Fee Kerrins for all the hard work behind the scenes.

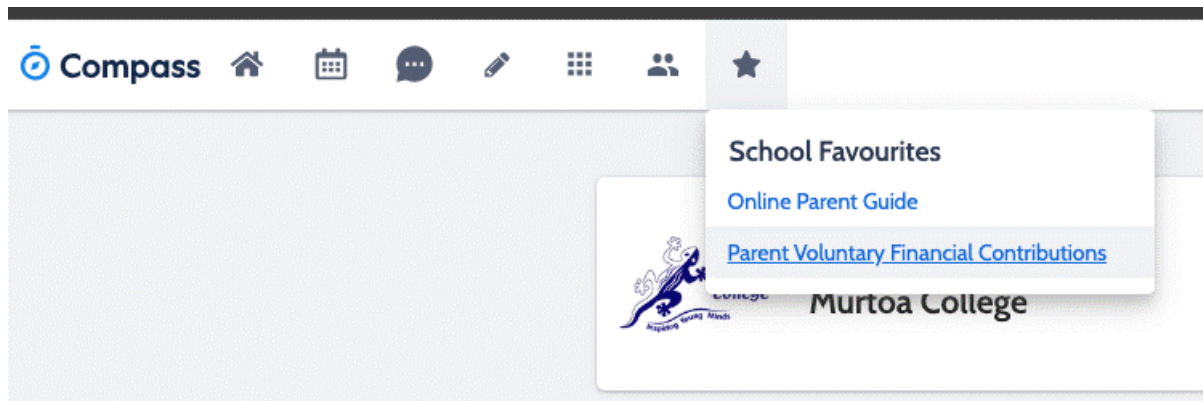

Finance, Operations and Facilities Team

Business Manager/Office – Jenny Huebner, Meredith Delahunty and Sam Chenoweth

2025 School Levies

The student levies for 2025 have now been published, levies help to support many activities across the school, including maintenance and repairs of equipment e.g. the stoves in Home Eco or PE equipment, purchase first aid supplies (including EpiPens and Ventolin puffers, bandaids and ice packs). Examples of what your levies are used for is on the levies sheet and families can choose their contributions.

Levy forms are available on Compass, the College website and from the Front office.

The Department Policy on Parent payments is attached to each levy sheet and the College website for your information.

School Saving Bonus updates and information

Families are reminded to monitor their expenditure of the SSB on the Parent portal, it is helpful if families are aware of what funds they have available before they make uniform or camp payments.

SSB can be used for camps, excursions and activities, families need to log onto the portal and allocate funds to Activities so it can be used in this way. Once funds have been allocated to activities they cannot be changed back to Uniform/Textbooks.

If families need any help the School Saving Bonus hotline has been very responsive so please give them a call on 1800 338 663 or come into the office, we may be able to direct you to the help you need.

Dear Parents, Guardians and Carers,

Murtoa College is redesigning our school website. Your feedback is crucial in helping us understand what matters most to you and our school community.

Please take a moment to complete this short survey. The insights we gather will shape the content and features of our new website.

<https://forms.gle/z6L7Nb5ewhjb7TRY6>

Because parenting doesn't come with instructions, SchoolTV is a wellbeing resource implemented at our school to help support you in the challenges of modern-day parenting relating to youth mental health and wellbeing. Parenting is a learning journey and SchoolTV supports families by providing credible information from trusted sources with practical strategies to help alleviate some of the challenges being faced by young people today.

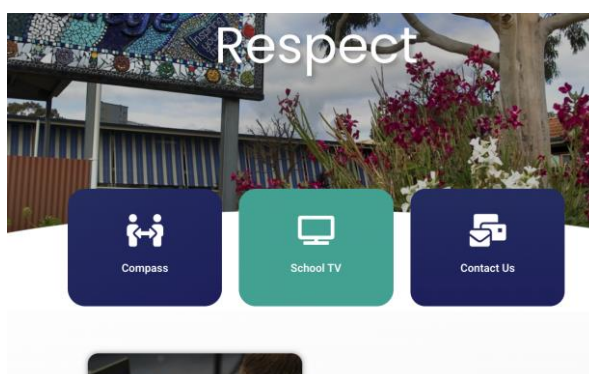

Watch video interviews with leading wellbeing specialists and browse a library of resources. Each topic is accompanied by factsheets, podcasts, books, articles, apps and other videos.

This resource helps families build relationships, foster connections, enable understanding and break down barriers to navigate a pathway towards better mental health and wellbeing for young people. It will assist you in starting those conversations on topics that can sometimes be awkward or difficult to tackle.

Parents and caregivers are the greatest influence on a young person's life and SchoolTV focuses on empowering confident parenting.

How to access this resource

- Murtoa College SchoolTV Link - <https://murtoacollege.vic.schooltv.me/>
- Murtoa College Website
 - o As part of our website redesign, we have placed a link to our SchoolTV resource on the front page.

Push your limits. Find your potential

Life for today's young people is fast-paced, digital, and often overwhelming. The Portsea Camp Journey Program offers a unique opportunity for kids and teens to unplug, challenge themselves, and develop resilience in a supportive and nature-based environment.

This five-day adventure is designed to push limits, build confidence, and foster real connections. Under the guidance of expert outdoor facilitators, participants will take part in a series of endurance challenges, survival skills training, and teamwork exercises that will leave them feeling empowered, capable, and inspired.

Hike

Bike Ride

Tent
Camping

Trangia
Cooking

Self-care &
Mindfulness

Survival Skills

Why This is a Game-Changer

- **Confidence:** Overcome physical and mental challenges, proving personal strength.
- **Resilience:** Learn to adapt, stay focused, and push through obstacles.
- **Endurance:** Discover the power of perseverance and mental fortitude.
- **Connection:** Form lifelong friendships and strengthen teamwork skills.
- **Nature:** Experience the benefits of outdoor adventure for mental and emotional well-being.

JUNIOR

8-12yo

A beginner-friendly experience designed to introduce outdoor adventure.

TEEN

13-17yo
